

New Market District Volunteer Fire Co.

2018 Santa Run Schedule

Merry Christmas & Happy Holidays to all! The New Market District Volunteer Fire Company will conduct its annual "Santa Run" beginning Monday December 3rd, 2018. All "Santa Runs" will begin at approximately 6:30pm & go no later than 8:30pm each night. Please refer to the following schedule to see when Santa will be in your neighborhood:

- ❖ **Monday December 3rd** – Mussetter Road communities (including Players Walk) and the housing development off of and around Jordan Blvd.
- ❖ **Wednesday December 5th** – Lake Linganore Meadows & Westwinds communities
- ❖ **Thursday December 6th** – Coldstream & Woodridge communities
- ❖ **Monday December 10th** – Pinehurst community
- ❖ **Tuesday December 11th** – New Market West & Summerfield communities as well as Main St.
- ❖ **Thursday December 13th** – Orchards, Brinkley Manor & Royal Oak communities
- ❖ **Monday December 17th** – Catoctin View, Meadow at New Market & Woodspring communities
- ❖ **Tuesday December 18th** – Windsor Knolls community

Please keep in mind we are a full service Fire & EMS Department. Santa and his reindeer (*our apparatus*) may be summoned to calls for service before or during our trip through your community. You can follow us on Twitter (@NewMarketVFC) for up to the minute call statuses. We will make all attempts to minimize the interruptions & reschedule our preplanned Santa Runs as necessary and able, however, *servicing the citizens of our community who are in need is our #1 priority!*

December 20th and December 21st will be used as dates for additional coverage and/or make up visits should Santa and his reindeer be help up by inclement weather or calls for service. Stay tuned to our company website, www.nmvfc15.org, Facebook Account (New Market Volunteer Fire Department 1525) or other social media accounts for updates and schedule changes.

In an effort to maximize our time and coverage, we will most likely remain on the larger streets and courts. We encourage residents who live on more narrow courts and streets to gather as a group at the end of the intersecting roadway as you begin to hear the sirens and horns. This will alleviate us having to negotiate turning around large apparatus in tight areas, which is a dangerous practice in low light conditions. **As always, thank you for your continued support of the New Market District Volunteer Fire Company!**
