- ❖ **Tuesday December 14th – Oakdale Village (Eaglehead Dr. & Oakdale Village Dr.)**

Please keep in mind we are a full service Fire & EMS Department. Santa and his reindeer (our apparatus) may be summoned to calls for service before or during our trip through your community. You can follow us on Twitter (@NewMarketVFC) for up to the minute call statuses. We will make all attempts to minimize the interruptions & reschedule our preplanned Santa Runs as necessary and able, however, serving the citizens of our community who are in need is our #1 priority!

December 16th and December 20th will be used as dates for additional coverage and/or make up visits should Santa and his reindeer be held up by inclement weather or calls for service. Stay tuned to our company website, [www.nmvfc15.org](http://www.nmvfc15.org), Facebook Account (New Market Volunteer Fire Department 1525) or other social media accounts for updates and schedule changes.

In an effort to maximize our time and coverage, we will most likely remain on the larger streets and courts. We encourage residents who live on more narrow courts and streets to gather as a group at the end of the intersecting roadway as you begin to hear the sirens and horns. This will alleviate us having to negotiate turning around large apparatus in tight areas, which is a dangerous practice in low light conditions.

**As always, thank you for your continued support of the New Market District Volunteer Fire Company!**
